REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record fail to teach or suggest a method for anastomosis of hollow structures by providing a fastener having a material capable of being biased from an open and closed position, holding the fastener in the bias configuration; passing a first end of the fastener through a first hollow structure and through an opening in a second hollow structure and permitting the fastener to move from a biased to an unbiased configuration to compress the first and second hollow tissue structure together adjacent the opening. Claims 59 – 71 depend from claim 58 and are allowable for at least the same reasons.

For these reasons, the claims are allowable over the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gary Jackson whose telephone number is (571) 272-4697. The examiner can normally be reached on Mon.-Thurs. 7:30 am to 6:00 p.m.
